Three Days International Webinar on "Covid-19 : Challenges & Opportunities in Software Industry" 9th - 11th, JULY 2020

Organized by

Department of Computer Science & SMC Collegians Alumni Association

About Webinar

We are very delighted to organize Three Days International Webinar on "COVID-19: Challenges and Opportunities in Software Industry". The main aim behind to organize this webinar is to aware the Undergraduate and Post Graduate students of Science, Management and Engineering faculty about various challenges and opportunities of IT Professionals.

The webinar will cover the following topics

- Software Developer Challenges, Solutions and Opportunities.
- Software Industry Trends.
- Current situation of industry due to COVID 19 pandemic.
- Get ready for interview

As the technology gets updated day to day lots of questions come in mind like how and what to start with. As we have so many technologies in market, what should I be preparing? How IT companies are evaluating the candidates while hiring them. How these companies work and so on specially for entry level engineers/developers will get solved by experts and get ourselves ready for challenging world. We feel very proud that the experts of this webinar are our alumni and acquired excellent positions in IT Industries in abroad.
