PREFACE

It gives me immense pleasure to submit the self study Report (SSR) of our college to the National Assessment and Accreditation Council (NAAC), Bangalore for Accreditation in compliance of our Letter of Intent (LOI). This exercise essential for the sustenance, enhancement and improvement of our college.

In the growing need of quality education, Hon. Late Shri. Madhukarrao Chaudhari, who was the Ex Education minister of State Government of Maharashtra, has established “Dhanaji Nana Chaudhari Vidya Prabodhini” in 1994. This organization was established in the memory of great freedom fighter Late Dhanaji Nana Chaudhari. The organization started its working to fulfill the requirements of Late Dhanaji Nana Chaudhari’s social vision and devotion to mother land. The organization gained the name in short span and established “Arts, Commerce and Science College” in the year 2000. The college is renamed as “Shirish Madhukarrao Chaudhari College”. It is affiliated with North Maharashtra University, Jalgaon. In 2000 the college started science faculty with Mathematics, Electronics, Computer, Statistics, and Physics subjects and in 2003 other subjects like Chemistry, Botany, Zoology and Microbiology were introduced. The commerce faculty of the college is started in the year 2014. The college has the affiliation of Arts faculty but Arts faculty is not functioning in the college and from 5/01/2017 we have disaffiliated Arts faculty from the university. The courses BBA, BBM and MBM are also disaffiliated from the same date. The college is recognized by the UGC and included into 2(f) of its act 1956. Recently the college is shifted in its own building. Though the establishment of our college is in 2000, we received 100% grant for some subjects in the year 2006. Commerce faculty and some subjects of science faculty are on permanently non grant basis. This voyage is continuous with vision of our management for an academic excellence. The historical developments with legacy of Gandhian thoughts strengthen the basics of our institution.

Our college is situated in a semi urban area. We know it is a hard task but we don’t mind spending our energy for our students. This SSR has given us an opportunity to know our strength and weak points so that we could further strengthen our quest for Quality.

This report is the outcome of the collective efforts of the entire campus community. For the past six months everyone in the campus worked so hard without minding the time to bring out this report. I deeply appreciate the wide involvement, sincere collaborative effort of the entire Steering Committee.

The college is striving to carve a niche for itself on the world education map by adopting innovative initiatives, acquiring new skills and employing new techniques.

I will be very happy to hear from you soon on your decision on Peer Team Visit for accreditation.

Dr. Rajendra B. Waghulade

Principal

EXECUTIVE SUMMARY

Criterion I: Curricular Aspects

The well stated vision, mission and objectives of the college are effectively communicated to all of its stakeholders. The college is affiliated to the North Maharashtra University, Jalgaon and hence the curriculum, admissions and evaluation processes are followed as per the norms and rules as prescribed by the State Government and the North Maharashtra University, Jalgaon. The University conducts workshops and meetings inviting teachers from all affiliated colleges and other major stakeholders to participate in the process of updating, revising and designing courses. The senior faculty members from each department of the college attend this process and communicate, exchange their opinions and suggestions for effective execution of the curricula. The university has updated its curriculum at regular intervals. The college offers some certificate courses to develop various skill sets required to increase students employability in the market.

In the college premises, there is YCMOU centre where external students take admissions to pursue Arts Courses.

The institute has a formal mechanism to obtain feedback from students and stakeholders on curriculum. The transparent and accountable feedback is obtained from each student about each faculty. Faculties are provided with the copy of feedback to improve the lacuna. The institute makes all efforts to supplement advance topics in syllabus through guest lectures.

Criterion II: Teaching-Learning and Evaluation

We follow rules and regulations of NMU, Jalgaon as well as the reservation policy of the state government for admission of students in the college to various courses. The college prepares an academic calendar every year involving the faculty members. At the beginning of the academic year, the teaching plans are prepared by the teachers and Teacher's Diaries are maintained whole year by the teachers. The teachers evaluate the knowledge and skills of the students during teaching and laboratory work. The Heads of the Department and the Principal monitors the work. Extra classes are arranged for the students.

The College also offers suitable enrichment program for Personality Development, Competitive Examinations and Environment etc. The co-curricular and extracurricular activities are promoted through departmental associations, commerce and science associations.

Teaching posts are approved by Government norms and UGC guidelines and a composite selection committee selects teacher on merit basis. The Secretary and Principal of our college appoint associate contributory teachers. UGC-stipulated teaching days and workload are followed.

Teachers are encouraged to attend National and International seminars, conferences, orientation and refresher courses, workshops and other faculty development programs. Some of the faculty members have received awards. Some teachers have published textbooks. The examinations and evaluation methods are communicated through the prospectus and college web-site at the beginning of the year.

The overall performance of the students is assessed by Term End Examinations, tests, tutorials and centralized evaluation. The college encourages the students to participate in inter-collegiate seminars, quiz, symposia etc. The success of the university rankers is honored by the Institution.

Criterion III: Research, Consultancy and Extension

The institution encourages the teachers to undertake the research work like M.Phil, Ph.D. and paper presentations at the seminars, conferences, workshops, etc. at university, state, national and international levels. For this purpose the institution has a research committee. The Principal also encourages the faculties to publish their research papers and research works in the reputed referred journals and publications. For the same, the facilities like on duty leave, library with wi-fi connectivity, subscription of journals to the college library etc are given to the staff members.

At present six faculties completed their Ph. D., four faculties are pursuing and eight completed their M. Phil. Prin. Dr. R. B. Waghulade is a recognized research guide by North Maharashtra University, Jalgaon & PACIFIC University, Udaypur, Rajasthan. Six research scholars are registered under his guidance. Some of our faculty members have published text books.

Research Projects under the Vice Chancellor Research Motivation Scheme (VCRMS) is sanctioned to three faculty members. Staff Academy has been formed in the institution for the promotion of developing research attitude and aptitude. All faculties were promoted to attend university, state, national and international level seminars, conferences, and workshops etc.

Institute organizes various research oriented programs like paper presentation, poster presentation, quiz contest and educational tours for the students. The students are also encouraged for the participation in various conferences seminars and quiz contest.

The College promotes institution neighborhood community network by encouraging students' active participation in the various activities of NSS, student welfare department, Yuvati Sabha and student council. The activities undertaken through these help the students to be good citizens and service minded resulting in students' total development.

The extension activities are implemented through NSS and other departments of the college. The activities like Socio- economic survey of the villages, Blood group camp, Bharat Swachha Abhiyan, Nirmalya Sankalan, Ozone rally, Women empowerment through Yuvati Sabha.

The college has collaboration with Department of Physics, M. J. College, Jalgaon and research laboratories of Department of Physical Sciences, NMU Jalgaon.

Criterion IV: Infrastructure and Learning Resources

The college has well equipped and advanced infrastructure and learning resources. It helps to fulfill requirement of teaching and learning practices. It includes physical facilities, library facilities, information Technology (IT) infrastructure and maintenance of various infrastructural facilities and learning resources.

The college has physical facilities as per curricular, co-curricular and extracurricular activities, curriculum and co-curriculum includes classrooms and technology enabled learning spaces, seminar hall, laboratories, specialized facilities and equipment for teaching and learning. Facilities are provided for extracurricular activities like sports, NSS, Cultural activities, communication skill development, health etc. Apart from the above mentioned facilities sports facilities like chess board, carom, and table tennis are also available.

Library contains sufficient number of text books, reference books and E-resources. The college has formed Library advisory committee. We have created separate website of the library. It comprises of number of journals, articles, news papers, e-publications. The library has subscribed to N-List of INFLIBNET and enrich with collection of e-book. The library is partially computerized.

The college has two computer laboratories and One ICT laboratory. Laboratory facilitates have well configured computers with latest technologies. The college has LCD Projector, Printers and Scanner. Broadband Internet Connections, Wi-Fi facility and CCTV is also provided within the campus.

The college has provision for regular maintenance for various infrastructure facilities, some services are hired on contractual basis. Maintenance facilities are available for electricity, 62.5 KVA Power Generator backup, Air conditioners and water coolers. Fire extinguishers and centralized RO water purifier system is available in the college.

Criterion V: Student Support and Progression

The institution has created the mechanism for student mentoring and support in the form of career counseling cell and grievance redressal cell. The counseling cell promotes the students to pursue the higher studies. The students belonging to SC, ST, NT, OBC and SBC categories are provided the scholarship and freeship from the state government. The students also get benefit from earn and learn scheme. The institution promotes the students to participate in the sports, cultural, extra-curricular and co-curricular activities. The disciplined atmosphere during NSS special camp encourages and motivates them to retain high values like national integration.

Tutorial/mentoring system aims at the all-round progress of the students especially their academic, physical, personal and psycho-social well being.

Ganesh festival, sports day celebrations of different national days are organized in college. Students win prizes/awards through participation in magazine (Paul-khuna). Books for various competitive examinations are available in the college library. The college provides medical facilities for the students in terms of health care in the campus with the help of nearby private hospital during emergency.

There is sports department to develop the sports culture. Grievance redressal cell and sexual harassment cell of the college ensure gender and social equity and provide help, support and guidance when ever required.

The alumni association has also been started with the aim of establishing contact with the past students. Many members of alumni are well established.

Representation of students in student council, Anti-ragging committee, student's grievance redressed committee, helps to develop leadership among themselves. The best student and best reader award is given as a token of appreciation for the students.

Criterion VI: Governance, Leadership and Management

The Institution has set vision and mission statement along with the objectives of the higher education policies of nation. Accordingly the institution undertakes and implements programmes every year. The college through various extra-curricular activities tends to lay emphasis on raising moral standards, realization of higher values of life among the students. This is an attempt to make them responsible citizens with qualities of head and heart and thereby contribute to the society and nation at large. Outreach Programme inculcates the sense of social responsibility in the students. Soft skill training is conducted through career placement and guidance cell to develop the soft skills of the third year undergraduate students and second year post graduate students.

There are different committees formed for this purpose. Board of management and Local Management Committee is also formed following the guidelines of Maharashtra University Act. They monitor the matters regarding the development of the college and other affairs related to the teaching and non-teaching staff. The meetings are held regularly of different committees. At the beginning of the academic year the planning is made according to the academic calendar. For the faculty empowerment the teachers are promoted for the research activities, attending orientation and refresher courses, seminars, conferences and workshops.

The institute leadership is follower of Gandhian Thoughts. The President of the institution, Mr. Shirish Madhukarrao Chaudhari is one of the most experienced, skilled, education experts. The President of the society is the supreme and ultimate authority providing guidance and leadership for the institution. The leadership of the

institution makes the budgetary provision for the academic, co-curricular and extracurricular activities. The accounts of the college are regularly audited by the internal, external and Accounts General Office. The transparency is maintained in financial matters. For the Internal Quality Assurance the IQAC functions for improvement of quality and achieving academic excellence.

Criteria VII: Innovations and Best Practices

Several academic and administrative innovative steps are taken for smooth functioning of the College. Along with innovations, environment consciousness also prevails amongst the students and staff. The college has initiated number of steps towards creation of awareness on environment and its protection / preservation and conservation, saving of energy, water, proper collection and disposal of all types of wastes etc. Emphasizes on greenery and tree plantation in and around the campus. Eco-friendly measures include steps to reduce consumptions of electrical energy and use of LED light sources.

The college focuses on two best practices namely “Computer Forum” and “Green Club”. The computer Forum has conducted many activities like paper and poster presentation, quiz contest and invited talk etc. for overall development of students. The activities conducted throughout the year paves way for exposure to the hidden talents of the students.

Now a days, there is a need to aware student as well as society to make pollution free environment for healthy life. Therefore college has conducted various awareness programs like Ozone rally, tree plantation, seminars, poster presentation through environmental awareness practice.

The planning and execution of events on such a large scale results in the students honing soft skills like leadership, event management and crisis management.

Yes,

- Since last two academic years the institution has started to take feedback for the evaluation of the teachers from the students. The feedback is analyzed by Heads of departments and senior teachers and report submit to the Principal.
- This mechanism helps self assessment and improves teacher’s quality.

2.5 Evaluation Process and Reforms

2.5.1 How does the institution ensure that the stakeholders of the institution especially students and faculty members are aware of the evaluation processes?

- The evaluation process is determined by the university and implemented by the college. At present the university has introduced CGPA pattern of the semester system. There are two types of evaluation- internal and external. There is an internal exam for each semester conducted by the institution and one external exam conducted by the University.
- Scheme of evaluation process and examination are communicated to the students and parents through the prospectus at the time of admission .
- Tentative dates of internal examinations are notified in academic calendar at the beginning of the academic session.
- The faculty members attend the Workshop on new evaluation system conducted by the different colleges and universities.
- The change made by the University in regards to the evaluation process is communicated to the teachers in the staff meeting and on the notice board of the staff room.

- Copy of the University circular regarding this is circulated to the Heads of each department so that it can be implemented during assessment.
- The previous exam question papers are made available to the students through library.
- Teachers communicate with students orally at the time of lecture and the related information is displayed on the student's notice board.
- Organize the guest lecture on CGPA pattern for students and teachers.

2.5.2 What are the major evaluation reforms of the university that the institution has adopted and what are the reforms initiated by the institution on its own?

- Formerly there was annual evaluation system and then there was 80+20 pattern. Since 2011-12 the University introduced semester system with CGPA Pattern for F.Y.B.Sc. and in 2012-13 for S.Y.B.Sc. and in 2013-14 for T.Y.B.Sc.
- The examination is conducted according to system at the end of each semester. Each subject examination is of 50 marks (40 marks for University Assessment and 10 marks for College Assessment.)
- From the year 2015-16 the above semester system with CGPA pattern is changed for F.Y.B.Sc. and from 2016-17 the above semester system with CGPA pattern is changed for S.Y.B.Sc. Each subject Head is of 100 marks (60 marks for University Assessment and 40 marks for College Assessment.)
- The major evaluation reform initiated by the university is that, the student can ask for rechecking and revaluation of his answer book and also can ask to provide photocopy of the evaluated answer book. This improves transparency in the evaluation system. Rechecking system is present at university level.
- Following CGPA grade system is followed by the University :-

Grade	CGPA
A+	8.0-10
A	7.0-7.99
B+	6.0-6.99
B	5.5-5.99
C+	4.5-5.49

C	4.0-4.49
F	00-3.99

$$\text{Percentage} = \text{CGPA} * 10$$

- The college has no separate evaluation reforms.

2.5.3 How does the institution ensure effective implementation of the evaluation reforms of the university and those initiated by the institution on its own?

- The Principal informs to the teachers in the meetings about reforms in the evaluation process.
- For the effective implementation of University reforms Circular/ Notification/ declaration by the University is informed to concerned Head of department and subject teachers.
- For F.Y.B.Com. /B.Sc. level the assessment of the internal and University exams are conducted by the college and the result is prepared with the help of software provided by the University and submitted in the form of soft copy to the University and the University declares the results. The evaluation of Second Year and Third Year is done at the university.

2.5.6 What are the graduates attributes specified by the College/ affiliating university? How does the College ensure the attainment of these by the students?

Graduate attributes of our college

- The graduates become students with academic excellence and a sense of social justice, responsibility, compassion, sensitivity and concern towards everyone in the society.
- Capacity to participate fully in collaborative learning and to confront unfamiliar problem.
- Communicating effectively and appropriately in a range of contexts.
- The students learn to integrate moral, social and spiritual values for building self - reliant and responsible citizens.
- Awareness of environmental sustainability issues and the contribution of the field of study to address such issues.
- They shine in love for the humanity and able to transform the theoretical knowledge into practical knowledge.
- Becoming good citizen of the country respecting the laws, cultures, customs and religious values of this great nation.

2.5.7 What are the mechanisms for Redressal of grievances with reference to evaluation both at the College and University level?

Grievance

- The Examination Committee of the College addresses to the grievances of students with regard to examinations. The students with grievance meet the concerned teacher and if not satisfied represent the matter to the Principal in writing, who forwards the same to the examination committee, to look into the matter. The Examination Committee calls the concerned staff and takes steps for Redressal which is informed to the Principal who in turn addresses to the grievance of the students.
- With regard to University Semester Examination, students can apply for revaluation within 10 days after the declaration of University Semester Examination results. The students can collect the prescribed application form from the office of the College and submit the filled in application form with prescribed fee to the examination committee. The examination committee consolidates the list of students seeking revaluation and the same is forwarded by the Principal to the Controller of Examinations of the University.

- The results of revaluation received from the University by are informed to the students by the examination committee. Mark statements with mistakes pertaining to names wrongly spelt in print, subjects title wrongly mentioned, etc. are collected from the grieved students and forwarded to the University by the examination committee of the College through the Principal. The corrected mark statements received from the University are distributed to the students.
- The marks of internal examination are displayed on the notice board of the college.
- The College makes every effort to make the evaluation system fair and transparent.

2.6 Student Performance and Learning Outcomes

2.6.1 Does the College have clearly stated learning outcomes? If 'yes' give details on how the students and staff are made aware of these.

Yes,

- The learning outcomes are stated in the mission, vision statement and objectives of the college.
- The learning outcomes are also stated in the syllabi of various subjects prescribed by the North Maharashtra University, Jalgaon.
- Mission, Vision statement and Objectives of the college stating learning outcome are displayed at prominent locations in the college campus and also printed in the prospectus of the college which are provided to the students and also displayed on the college website.
- Teachers make students aware of the learning outcomes in the class during the first lecture and they are also discussed during Parent- Teacher Meetings.

2.6.2 Enumerate on how the institution monitors and communicates the progress and performance of students through the duration of the course/ programme? Provide an analysis of the student's results / achievements (Programme/ course wise for last four years) and explain the differences if any and patterns of achievement across the programmes / courses offered.

The institution monitors the academic performance of students through continuous internal assessment and University semester examination.

Internal Assessment

The Internal examinations are conducted according to the guidelines and rules given by the University.

University semester examination

University semester examination result is declared on University website and printed result sheets distributed to the students. This result is analyzed by all Head of departments along with their faculties and submits a report to the Principal. Principal discusses the results with all the staff members in the staff meeting. He insists on the necessary steps to be taken not only for improving the academic performance of the students but also of the college, including securing University Ranks.

2.6.3 How are the teaching, learning and assessment strategies of the institution structured to facilitate the achievement of the intended learning outcomes?

In order to achieve intended learning outcomes the following strategies are adopted:

- College ensures that 180 teaching days are taking place by 90 days per semester.
- The planning of 90 teaching days is reflected in teaching plan and in academic calendar.
- 75% attendance for students in classroom is made mandatory and is continuously monitored.
- Different teaching methods like ICT are adopted and monitored by the Principal and HOD.

Following table illustrates the strategies planned to achieve each of desired learning out come.

Learning Outcome	Strategy
Intellectually alive	Project work, organizing various competitions, attending various Conferences and Seminars.
Socially responsible	Activities organized by NSS, Student Welfare Department, Red Ribbon Club.
Continual personal and professional Growth	Personality Development Programme, Yuwati Sabha, Carrier and Counseling Cell.

2.6.4 What are the measures/initiatives taken up by the institution to enhance the social and economic relevance (student placements, entrepreneurship, innovation and research aptitude) of the courses offered?

Quality Job and Employment

- The college offers courses like T.Y.B.Sc. and M.Sc. in computer science, Microbiology in science faculty.
- The college also offers professional courses like BCA in Commerce and management faculty.
- Eminent lecturers of various fields are invited to deliver lectures to give exposure to the students regarding existing opportunities.
- The college has Placement Cell.

Innovations and Research Aptitude

- To promote innovations various activities such as Seminars, Workshops and poster competitions are arranged for the students and students are encouraged to participate in various competitions such as University level research competition Avishkar.
- Faculties are involved in research activity which enables the imparting of the recent advances and development for research aptitude amongst the students.
- The college organizes Seminars, Workshops and research project presentation competition which helps the students to develop the research aptitude.
- Along with course curriculum some co-curricular activities are also taken such as tours, industrial visits etc. These co-curricular activities help entrepreneurship and motivation of research amongst the students.

2.6.5 How does the institution collect and analyze data on student performance and learning outcomes and use it for planning and overcoming barriers of learning?

All Head of departments along with their faculties collect the data on student learning outcomes through the print of university results. These data are further analyzed to calculate pass percentage, first class, and second class and fail students. On the basis of this analysis the Principal/HOD identifies the barriers of learning if any and proper steps are taken to improve.

2.6.6 How does the institution monitor and ensure the achievement of learning outcomes?

The Principal always meets both the faculties and students of the college to collect oral feed backs and gives suggestion to ensure the better results and

achievement of learning outcomes. In order to monitor the student's learning outcomes, attendance is compulsorily taken for each class. Results of internal and external examination are recorded and evaluated every year. The faculty members are encouraged to conduct various activities. Meeting held at the end of the academic session along with the Principal and HODs is held to review and improve academic excellence and achievement of learning outcomes.

2.6.7 Does the institution and individual teachers use assessment /evaluation outcomes as an indicator for evaluating student performance, achievement of learning objectives and planning? If 'yes' provide details on the process and cite a few examples. Any other relevant information regarding Teaching-Learning and Evaluation which the College would like to include.

Yes,

- As per the university evaluation norms, the institution is implementing the system effectively. The institution uses assessment or evaluation as an indicator for evaluating student's performance achievement of learning objectives and planning.
- If a significant number of students do not achieve good performance in the respective subject, the Principal monitors the faculty and gives necessary suggestions for improvement.
- The institution every semester conducts Tests, seminars, Internal Assessment and term End Examinations with strict vigilance, centralized evaluation to assess the performance of the students.
- The list of university rankers is meticulously displayed and the college honors the rankers especially in the Annual Prize Distribution ceremony. Similarly the causes of failure too are discussed.

Criterion III: Research, Consultancy and Extension

3.1 Promotion of Research

3.1.1 Does the institution have recognized research center/s of the affiliating University or any other agency/organization?

The College doesn't have any recognized research centre. However, our one faculty member Dr. R. B. Waghulade is approved research guide of the North Maharashtra University and other faculty members are active in research work. We have collaboration with other college research laboratories which are recognized by North Maharashtra University, Jalgaon.

3.1.2 Does the Institution have a research committee to monitor and address the issues of research? If so, what is its composition? Mention a few recommendations made by the committee for implementation and their impact.

Yes, the institution has a research committee. The committee comprises of the following members:

1. Prin. R. B. Waghulade : Chairman
2. Dr. U. Zope : Member secretary
3. Dr. M. G. Sonawane : Member
4. Mr. S. Joshi : Member

The purpose of the committee is to promote research activity in the institution. The major activities of the committee are as follows.

- The teachers are encouraged to participate in University, State, National Seminars, Conferences, and Workshops etc
- Staff Academy has been formed in the institution for the promotion of developing research attitude and aptitude. The teachers present their topic of choice before the staff of the college. The teachers also share their views on the topic. This activity initiates academic interaction among the teachers of different subjects.
- The committee is also keen to subscribe journals to motivate the teachers and the students to indulge in research activity.

- Focus on publication and presentation – Staff is encouraged to present and publish their research work. Also students are encouraged to present their work in the seminars organized by departments.
- Help rendered to faculty of college for submitting proposals for research projects.
- The committee is also keen to purchase reference books which are helpful to the newly recruited teachers and to the researchers to carry their research.
- The committee also advises the teachers to use audio-visuals and internet facilities for research activities.
- The committee encourages the students to participate in research activity like Avishkar (Annual Research Convention) conducted every year by NMU, Jalgaon.

3.1.3 What are the measures taken by the institution to facilitate smooth progress and implementation of research schemes/projects?

- **Autonomy to the principal investigator**
Full autonomy is given to the principal investigator for smooth conduct of the project.
- **Timely availability or release of resources**
The resources are made available on the time; the Research Committee takes care of it.
- **Adequate infrastructure and human resources**
Library, Computers with internet and laboratory facilities are available in the College.
- **Time-off, reduced teaching load, special leave etc. to teachers**
College provides duty leave to attend the Conferences, Seminars and Workshops.
- **Support in terms of technology and information needs**
College is the Member of the N-List, ID and passwords are provided to the faculties. Internet connectivity is provided to each department.
- **Facilitate timely auditing and submission of utilization certificate to the funding authorities**
The utilization certificates are submitted to funding agencies within time.

- **Any other**

Faculty members pursuing research are asked to present their work using power point to motivate other colleagues. Faculty members conferred with Ph.D. Degree are felicitated by the institution.

3.1.4 What are the efforts made by the institution in developing scientific temper and research culture and aptitude among students?

Motivating and guiding Under Graduate students to take up research topics in emerging areas to prepare their reports.

- College organizes various research oriented programs like scientific quiz, poster presentation, educational tours, debating, and exhibitions each year for students and also for faculty.
- College organizes Seminars/Workshops/lectures by eminent scholars.
- Students participate in the intercollegiate research based event “**Avishkar**” organized by the North Maharashtra University, Jalgaon.
- Departments organize visits to Industry and research institutes in addition to field excursions.
- Internet facility is provided to teachers for doing the research work.
- Research Scholars have given N-list resources facility for their research work.
- College encourages the students to participate in the various Conferences /Seminars /Quiz Contests.
- Enhancing library facilities by subscribing to national research journals and provision of free access to internet.
- Involving students in all the processes concerning research activities, including organizing Seminars, paper presentations etc.

3.1.5 Give details of the faculty involvement in active research (Guiding student research, leading Research Projects, engaged in individual/ collaborative research activity, etc.).

Faculty involvement in active research

Eight faculty members have completed M. Phil. and six faculty members completed their Ph.D.

Research Projects under Vice Chancellor Research Motivation Scheme (VCRMS) of NMU are sanctioned to three faculty members.

Other Events

- The Computer Forum organizes University level “iNova”. It Consist of Online C/C++ Objective test, Paper and Poster Presentation Competitions for Under Graduate and Post graduate students.
- In 2015-16 the Computer Forum organized State level “Mega IT EVENT”. In this event quiz contest and poster presentation competition is conducted.
- Department of microbiology organizes Watson and Crick quiz contest for UG and PG students.

3.1.7 Provide details of prioritized research areas and the expertise available with the institution.

Sr No	Department	Expert	Prioritized research area
1	Physics/Electronics	Dr. R. B. Waghulade	Nanogas sensor

3.1.8 Enumerate the efforts of the institution in attracting researchers of eminence to visit the campus and interact with teachers and students?

Following is the list of the distinguished visitors

1. Dr. K. B. Patil (Ex. Vice Chancellor, N.M.U., Jalgaon).
2. Prof. Dr. S. B. Attarde. (School of Environment and Earth Science, NMU) for Global Warming Effects and Awareness.
3. Prof. Dr. R. K. Narkhede. (M. V. Vidyalaya, Udgir) for Global Warming Effects and Awareness.
4. Dr. R. T. Mahajan (HOD, Zoology and Biotechnology M.J College Jalgaon)
5. Dr. B. L. Chaudhari (School of Life Sciences, NMU)
6. Dr. A. G. Ingale (H.O.D. Biotechnology School of Life Sciences, NMU)
7. Dr. V. L. Maheshwari (Director, School of Life Sciences, NMU)
8. Dr. A. B. Chaudhari (School of Life Sciences, NMU)
9. Prof. Vishwakarma (School of Life Sciences, NMU)
10. Prof. A. D. Shaligram (Department of Electronics Pune University)
11. Prof. S. A. Gangal (Department of Electronics Pune University)
12. Jessica Lakatosh (CERES Community and Environment part, Melboarne).
13. Kate Mitchell (Monash University, Melboarne).
14. Jon Wallace (Swinburne University, Melboarne).

15. Sally Mitchell (Tas Take Launceston, Tasmania).
16. Jocelyn Wallace (Heritage college)
17. Noel Blencowe (CERES- Centre for Education and Research in Environmental Strategies)
18. Prof. S. B. Chincholkar (Director B.C.U.D., NMU)
19. Dr. V. K. Wagh (Vice Principal, Furguson College Pune)
20. Dr. S. V. Patil (School of Life sciences, NMU)
21. Dr. Bipin Salunkhe (School of Life sciences, NMU)
22. Dr. Rahul Kulkarni (Director, Smt Sitabai Mangilal Agrawal Institute of Management, Chalisgaon.)
23. Dr. Vivek Katdare (Director, KCE's Institute of Management and Research, Jalgaon.)
24. Mr. Kamlesh Meshram (Assistant Prof. JSPM's Jaywant Institute of Management Studies, Pune).
25. Prof. Suresh Pande (Sureshdada scheme for educational and entrepreneurial development, Jalgaon)
26. Dr. B. V. Pawar, (Director, School of Computer Sciences, N. M. U., Jalgaon).
27. Prof. Nitin Patil (Head, Department of Computer Science, Pune University).
28. Shri. Nikhil Kolte (Senior Software Engineer, Cognizant, Pune)
29. Prof. Ram Bavsar (Reader, School of Computer Sciences, North Maharashtra University, Jalgaon)
30. Prof. S. R. Kolhe (School of Computer Sciences, North Maharashtra University, Jalgaon).
31. Prof. Manish Joshi (Department of Computer Science, North Maharashtra University, Jalgaon).
32. Prin. Minakshi V. Waykole (Principal, P.O. Nahata College, Bhusawal)
33. Prof. Vilas Mahajan (VPM's R.Z. Shah College, Mulund (E), Mumbai).

3.1.9 What percentage of the faculty has utilized Sabbatical Leave for research activities? How has the provision contributed to improve the quality of research and imbibe research culture on the campus?

Yet, no one has taken the Sabbatical Leave for research activity. The College staff has not applied for such a study leave. On Duty facility is given to the staff members who are pursuing their research work to collect materials and to meet their guides and to attend seminars and conferences.

3.1.10 Provide details of the initiatives taken up by the institution in creating awareness/ advocating/ transfer of relative findings of research of the institution and elsewhere to students and community (lab to land).

The main aim of research activity is to benefit for the community at large. Our faculty members present their research papers in the national and international conferences. They publish their research papers or articles in the reputed journals and magazines. The Ph.D., M.Phil. thesis and dissertations of faculty members are made available in library to the library users.

3.2 Resource Mobilization for Research

3.2.1 What percentage of the total budget is earmarked for research? Give details of major heads of expenditure, financial allocation and actual utilization.

There is no allocation in the regular budget for research. However, the faculty is encouraged to apply for grants from North Maharashtra University, Jalgaon for conducting various research oriented programs. North Maharashtra University, Jalgaon sanctioned four research projects under VCRMS to our faculty members.

3.2.2 Is there a provision in the institution to provide seed money to the faculty for research? If so, specify the amount disbursed and the percentage of the faculty that has availed the facility in the last four years?

There is no provision to provide seed money to the faculties for research but indirectly facilities have been incurred to promote research like

- Duty leave is provided to faculty members to make presentations for their research proposals as per the guidelines of funding agencies.
- The College provides duty leave to the faculty members to attend / participate in Workshops / Seminars / Conferences.
- The registration fee and travelling allowance is given to the faculty members to participate in conferences and seminars.

3.2.3 What are the financial provisions made available to support student research projects by students?

Our institute extends financial provision for books, research journals, magazines, computers, Internet facilities, Laboratory material to the UG and PG students for research projects. Institute arranges lectures by research scholars to guide the students for their research projects.

3.2.4 How does the various departments/units/staff of the institute interact in undertaking inter-disciplinary research? Cite examples of successful endeavors and challenges faced in organizing interdisciplinary research.

At present there is no interdisciplinary research. But the institute organizes the conference in Environmental science under the university approval with interdisciplinary approach. All faculty members and students of our college and other college actively participate in the conference.

3.2.5 How does the institution ensure optimal use of various equipment and research facilities of the institution by its staff and students?

The following facilities are available in the College for undertaking research activities by the staff and project work by students:

- Availability of research journals
- Laboratory built gas sensing system
- Solar system study kit provided by IIT, Pawai, Mumbai.
- Books and reference books
- e-journals
- Computer systems in computer lab for teaching staff with internet connectivity.
- Wi-Fi facility available in the library.

The College permits the staff and the students to use the above facilities during the college hours on all working days.

3.2.6 Has the institution received any special grants or finances from the industry or other beneficiary agency for developing research facility? If “yes” give details.

Yes, the college teachers received the special grant from North Maharashtra University, Jalgaon under VCRMS to develop the research facilities. Detail is given in 3.2.7

3.2.7 Enumerate the support provided to the faculty in securing research funds from various funding agencies, industry and other organizations. Provide details of ongoing and completed projects and grants received during the last four years.

The Research Cell of the college takes keen interest in intimating the teachers about the call of Projects by various funding agencies, giving necessary guidance in preparing project proposals and forwarding them on time.

Following are the completed and ongoing research projects in the college.

Sr No	Faculty	Title of Project	Subject	Name of funding agency	Amount	Duration	Remarks
1	Dr. Rajendra B. Waghulade (Principal)	Synthesis, Characterization and gas sensing properties of nanosized zinc Oxide and its nanocomposites	Physics	North Maharashtra University, Jalgaon	Rs. 70,000/-	Two Years	Completed
		Nano- composites of cadmium oxides with polyaniline: synthesis, characterization and gas sensing properties	Physics	North Maharashtra University, Jalgaon	Rs. 65,000/-	Two Years	Submitted
2	Dr. Mahendra G. Sonawane	Study on transition metal complexes of Aryl Azolowsone derivatives	Chemistry	North Maharashtra University, Jalgaon	Rs. 60,000/-	Two Years	Completed
3	Mr. Sandip S. Joshi	Study of $PG_1(R)$ And $PG_2(R)$ over a commutative ring	Mathematics	North Maharashtra University, Jalgaon	Rs. 70,000/-	Two Years	Ongoing

3.3 Research Facilities

3.3.1 What are the research facilities available to the students and research scholars within the campus?

The research facilities available to the students within the campus are as follows:

1. Internet Access
2. Journals, periodicals and reference books in the library
3. One of our faculty member is approved as Ph.D. research guide

4. The computer laboratories are well equipped with recent instruments, internet.

3.3.2 What are the institutional strategies for planning, upgrading and creating infrastructural facilities to meet the need of researchers especially in the new and emerging area of research?

- Up gradation of Library with online journals.
- Organizes research oriented seminars and workshops for students and faculties
- Encourage more faculty members to apply for Research Projects for funding from various agencies

3.3.3 Has the institution received any special grants or finances from the industry or other beneficiary agency for developing research facilities? If 'yes', what are the instruments/ facilities created during the last four years.

Yes

Prin. Dr. R. B. Waghulade received the special grant from North Maharashtra University, Jalgaon under VCRMS to develop the research facilities. Following instruments are purchased from this grant.

- Laboratory design built in gas sensing system
- Data Logger System
- Autoclave
- Dimmer stat
- Digital Multimeter
- pH meter
- Magnetic stirrer with heating coil

3.3.4 What are the research facilities made available to the students and research scholars outside the campus/other research laboratories?

YES,

One of our faculty members is Ph.D./M. Phil. Guide of the PACIFIC university, Udaypur, Rajasthan outside the campus. The research library and laboratories of M. J. College, Jalgaon, District Jalgaon and research laboratories of Department of Physical Sciences, N. M. U. Jalgaon are available for the students and Research scholars of the College.

3.3.5 Provide details on the library/ information resource centre or any other facilities available specifically for the researchers?

The library provided the facilities and services especially to researchers as INFLIBNET, N-LIST, Broad band services, computer facilities, E- Journals, E-Books with E-book management software, Reference Books. Periodicals, Wi-Fi facilities, bound volume etc. as well as various e-resource links provided on library website.

3.3.6 What are the collaborative researches facilities developed / created by the research institutes in the college? For ex. Laboratories, library, instruments, computers, new technology etc.

The college has collaboration with of M. J. College, Jalgaon, District Jalgaon and research library and laboratories of Department of Physical Sciences, N. M. U. Jalgaon. The library has linkages with other college libraries for inter library loan facilities.

3.4 Research Publications and Awards

3.4.1 Highlight the major research achievements of the staff and students in terms of

- Patents obtained and filed (process and product): Nil
- Original research contributing to product improvement: Nil
- Research studies or surveys benefiting the community or improving the services:

The NSS Unit of the College arranged “School Outreached Students Survey “ for the search of the students who are not reached/ admitted to the school.

Home toilet survey undertaken in adopted village, Aavhane by the college through NSS.

- Research inputs contributing to new initiatives and social development: Nil

3.4.2 Does the Institute publish or partner in publication of research journal(s)? If ‘yes’, indicate the composition of the editorial board, publication policies and whether such publication is listed in any international database?

Yes, the institute has published the souvenir of National level seminar on “Current Trends in Chemistry” with ISBN: 978-93-82528-78-4.

3.4.3 Give details of publications by the faculty and students:

Following table shows the Paper/Poster Presented by faculties

3.4.4 Provide details (if any) of

- Research awards received by the faculty

1. Principal Dr. R.B. Waghulde is awarded Dr. Homi Bhabha National award, by Mahatma Phule Talent Research Academy Nagpur in 2011.
2. Dr. M. G. Sonawane was awarded as “Best Poster Award” in National Conference on Chemical Synthesis of Nanomaterial's and Their Application in Environment Sponsored by UGC Delhi, at GTP College Nandurbar 2015-16.
3. Mr. M.S. Kale got an award for Best Oral Presentation in International Conference on Global Opportunities for Latest Developments in Chemistry and Technology, Feb. 2014, Organized by School of Chemical Sciences, North Maharashtra University, Jalgaon.

- Recognition received by the faculty from reputed professional bodies and agencies, nationally and internationally:

Nil

- Incentives given to faculty for receiving state, national and international recognitions for research contributions.

1. Our faculty member Principal R. B. Waghulade receive the incentive of Rs.20000 from B.C.U.D. N. M. U., Jalgaon to participate in INEC 2008 2nd IEEE International Nano electronics Conference, Shanghai, China.

2. Our faculty member Principal R. B. Waghulade receives the incentive of Rs.10000 from B.C.U.D., N. M. U., Jalgaon to participate in POLYCHAR 19 International conference, Kathamandu, Nepal in 2011.

3.5 Consultancy

3.5.1 Give details of the systems and strategies for establishing institute-industry interface?

Faculty interested to provide consultancy to industry is encouraged to interact with industry people at various platforms like Seminars/ symposia/ exhibitions

3.5.2 What is the stated policy of the institution to promote consultancy? How is the available expertise advocated and publicized?

Faculty enjoys the freedom to use available facility to provide consultancy services as per the guidelines/rules of University.

3.5.3 How does the institution encourage the staff to utilize their expertise and available facilities for consultancy services?

The college management and administrator always encourage the faculty members to organize seminars, workshops and conferences and provide necessary financial assistance.

3.5.4 List the broad areas and major consultancy services provided by the institution and the revenue generated during the last four years.

Nil

3.5.5 What is the policy of the institution in sharing the income generated through consultancy (staff involved: Institution) and its use for institutional development?

Nil.

3.6 Extension Activities and Institutional Social Responsibility (ISR)

3.6.1 How does the institution promote institution-neighborhood-community network and student engagement, contributing to good citizenship, service orientation and holistic development of students?

The College promotes institution neighborhood community network by encouraging student's active participation in the various activities of NSS, student welfare department, yuvati sabha and student council. The activities

undertaken through these helped the students to be good citizens and service minded resulting in student's total development.

The student engagement to promote institution- community network is made possible through the following activities-

- The NSS unit of college arranged blood group testing camp for the women at the village during the winter camp.
- The NSS Unit of the College arranged "School Outreached Students Survey " for the search of the students who are not reached/ admitted to the school.
- NSS unit organizes activities to spread the message regarding environmental awareness, tree plantation etc.
- Through the activities of NSS unit inculcate social awareness about environment, AIDS, save girl child and health awareness, national integration, Disaster Management and personality development
- College organizes parents- teachers meeting and alumni gathering to build up relationship with society and to exchange ideas.
- College organizes ozone rally on ozone day to spread the message of environmental awareness.
- Our student Damini D. Sonawane participated in the State Level Republic Day Pared at Kirti College, Dadar, Mumbai.
- The activity "Vyaktimatvya Vikas Vyakhyanmala" under yuvati sabha creates social awareness, legal awareness and develops vocational skills in girl students. It also helps to create awareness of carrier opportunities, health and hygiene among girl students, thus helping to develop their total personality.
- The activity "Swayamsiddha shibir" under yuvati sabha make competent to girl students for their self defense.
- Conducting various cultural programmes in annual gathering, for students of college creates the possibilities of self confidence among them.
- Our student Damini D. Sonawane participated in the 18 th national youth festival (Bharat kiSantan) at Ludhiyana, Punjab.
- Our student Damini D. Sonawane has participated in the State level selection camp for NSS Pre National Republic Day and State Republic

Day Parade at Dr. Babasaheb Ambedker Marathwada University, Aurangabad.

- Our student Damini D. Sonawane has participated in the State level Social-Cultural competition 'UTKARSH-2012' at Shivaji University, Kolhapur.
- Our student Damini D. Sonawane has participated in the State level Training camp on Disaster Preparedness, organized by Swami Ramananda Teerth, Marathwada University, Nanded.
- Our student Damini D. Sonawane has participated in the National Youth Conversion on Youth for Drug free World at Ludhiyana, Punjab.
- Our student Raviraj Sanjay Rane has actively participated in the State Level Training Camp on Disaster Management organized by Savitribai Phule University Pune from 5th-14th June 2016.
- Our student Raviraj Sanjay Rane has participated in the State Level Adventure Camp held at Chikhaldara Dist. Amarvati from 28 Jan. to 1 Feb. 2016.

3.6.2 What is the Institutional mechanism to track student's " involvement in various social movements/activities which promote citizenship roles?

- Through the NSS unit in which students inculcate social awareness about environment, save girl child and health awareness, national integration and personality development.
- Through NSS we promote the students to participate in the various social activities like Tree plantation, Blood donation, Health awareness etc.
- One of the NSS Unit Volunteers participated in the State Level Republic Day Pared at Nariman Point, Mumbai.
- NSS unit adopted village for overall development of the people.
- Yuwati Sabha deals with problems related to personal hygiene of the girls.
- **Special Activities of NSS:** Small scale Dams are undertaken in the adopted village. The NSS volunteers surveyed home toilets in the adopted villages with views to their human health, Swatch Bharat Abhiyan.

3.6.3 How does the institution solicit stakeholder perception on the overall performance and quality of the institution?

Feedback from the students, staff, parents and alumni on the overall performance of the college in implementing the curriculum is obtained every year.

3.6.4 How does the institution plan and organize its extension and outreach programmes? Providing the budgetary details for last four years, list the major extension and outreach programmes and their impact on the overall development of students.

- Outreach programmes are organized by the institution through NSS, student's welfare department and the student's council. Programmes are co related with the academic curricula of faculty of science. The guest lectures are held from time to time for the extension and outreach programmes for the overall development of students.
- Blood Donation, Tree-Plantation, Health awareness, participation in AIDS Awareness, Nirmalya sankalan, Bharat swaccha abhiyan, Traffic safety week etc. are some of the outreach programmes organized by the institution under, NSS activities.
- One day state level conference on environmental science was organized for the environmental awareness among students
- To inculcate social awareness and moral values in the students, topics like AIDS awareness, problems related to environmental issues, Global Warming etc. are incorporated in the Foundation Course Syllabus of F.Y. B.Com. / B.Sc. classes.
- During the camps, volunteers concentrate on developing the civic amenities in local schools.
- NSS volunteers actively participate in annual camps, besides taking part in youth festivals and cultural activities.
- All these activities go hand in hand with the academic activities. This brings in a new curriculum-extension interface which has immense personality development value and plays a pivotal role in developing a responsible youth force in the country.

Impact on the students

- The activities help to develop students as responsive and responsible individuals which help them to lead a meaningful and successful life.

- There is a sizeable improvement in student a leadership quality.
- Students are provided skill oriented education.
- They are made competent for challenges of nation building process.
- They are made aware of power of youth and their responsibility for the nation.

The budgetary provision for outreach and extension programmes for the last four years is as follows: (N.S.S. Only)

Year	Budgetary Heads	Allotted Amount	Utilized Amount
2012-13	NSS Regular Programs and Winter Camp	58,500	58,183
2013-14	NSS Regular Programs and Winter Camp	58,500	59,017
2014-15	NSS Regular Programs and Winter Camp	63,000	67,640
2015-16	NSS Regular Programs and Winter Camp	67,500	63,730

3.6.5 How does the institution promote the participation of students and faculty in extension activities including participation in NSS, NCC, YRC and other National/ International agencies?

- Extension activities of the College are listed in the prospectus itself as well as on the college website.
- Students taking up NSS activity are awarded 10 grace marks by the university.
- NSS Programme Officers are appointed considering their potential and interest.
- The students are motivated to join NSS through lectures
- The College gives the Best NSS Unit Volunteers Award (Girl and Boy) to the meritorious students.

3.6.6 Give details on social surveys, research or extension work (if any) undertaken by the college to ensure social justice and empower students from under-privileged and vulnerable sections of society?

- Home toilet survey undertaken in adopted village, Aavhane by the college through NSS.
- Blood group testing camp was organized for the students and women in adopted village Aavhane by college through NSS.

- College organizes the lectures on various subjects for Women empowerment through Yuvati Sabha.

3.6.7 Reflecting on objectives and expected outcomes of the extension activities organized by the institution, comment on how they complement student's academic learning experience and specify the values and skills inculcated.

NSS

- Development of the personality of students through community service.
- Understand the community in which they work.
- Develop among them a sense of social and civic responsibility.
- Acquire leadership qualities and democratic attitude.

Criterion IV: Infrastructure and Learning Resources

4.1 Physical Facilities

4.1.1 What is the policy of the Institution for creation and enhancement of infrastructure that facilitate effective teaching and learning?

The College has a well-defined policy of augmenting infrastructural facilities as a catalyst for ensuring academic excellence. The aim is to improve academic standards and increase efficiency. In the year 2000, College began its academic programme of B.Sc. In the first few year classes were conducted in the rented building at Block-F 2nd Floor, Old B. J. Market Jalgaon.

Meanwhile Dhanaji Nana Chaudhari Vidya Prabodhini purchased 30,218 sq. Ft. land in Jalgaon city and started construction of own building in 2010-11. It has four floors in which three floors are allotted for Arts, Commerce and Science College, Jalgaon and on the top floor we have College of Social work which is sister branch of our institute. The construction of this building are having all types of modern facilities with lift facility were planned. The College shifted in this own building in March/ April 2016. The almost all infrastructural construction work is completed. The new building of the college infrastructure consist of nine class room, one cabin each for Principal, Administrative office, Staff room, Library with reading room for students and staff, ICT center, Ladies room and Conference hall etc. The conference hall, computer lab for the College is on the first floor whereas the Girls room, NSS and sport room are on the stilt floor. Based on the academic growth and requirements in terms of needed infrastructure and resources, the Board of Management allocates the budget for fulfilling the requirements. The Secretary of the College, in consultation with the members of the executive Board of Management undertakes in establishing the required facilities within stipulated time that provide all the required faculties for effective teaching and learning.

The following initiatives have been taken to meet the growing needs of the College in view of the expanding new age programmes and changing pedagogical skills in the global context:

- The College needed own building/campus according to the signs of the time. With the approval of the Board of Management the construction was started from 2010 onwards. Almost all infrastructural construction work is completed.
- Improving/Upgrading the infrastructure – The management, through the Principal request teaching staff to make recommendations for infrastructure needs/improvement, such as facilities for library, classrooms, staffrooms, etc.
- The management encourages the College to raise funds.
- The policy of the management is to keep up with the advancement in the field and to make available to both the teachers and students facilities like the internet. The number of computers has been increased in the computer lab and the library and wi-fi facility is available within the campus.
- The College has not received any developmental grants as yet from the state or the UGC. Facilities for staff and students are enough that is adequate desks, benches, classrooms, seminar hall, toilets/bathrooms for ladies and gents, principal's cabin, power supply, etc are available. The principal has the authority to purchase necessary equipment as and when needed.
- CCTV has been installed in the college premises to make it safer for the students and the staff.

The Principal, in the beginning of the academic year, forms action plans for the year along with the staff. The Principal monitors whether the action plans set are carried out properly and effectively.

The various committees of the college draw prospective plans in tune with the vision and mission of the institute. For an example, the Green club forms an action plan to save the environment and it executes it by maintaining the garden, grooming the trees and keeping the campus plastic free and green.

The NSS unit of the college functions with a plan to serve the community and to develop harmony among the people. To incorporate this action plan, it conducts a special camp by N.S.S. in which it interacts with the community in all the developmental works and awareness programs. The blood group testing camps are arranged for college students and staff, peoples of Adopted village **Aavhane and Bhadali (Bk.)**, ladies participants in Mahila Krushi Mela respectively.

From last four years institute conducts a blood donation camp in collaboration with Red cross / Golwalkar /Civil hospital's Blood Bank, Jalgaon every year.

- **Interaction with stakeholders**

The college makes every effort to interact with various stakeholders' viz. parents, industrial resource, and alumni.

The college organizes Parent Teachers Association Meeting once in a year. Letters are sent to the parents inviting them for a meeting. When the parents come, they are explained with the facilities by the Principal and the parents meet the staff in charge to know about their sons and daughters' behavior, marks and attendance.

Feedback is got from the parents about the curriculum and the functioning of the college. Alumni meetings are organized once in a year in which feedback is received from the alumni.

- **Proper support for policy and planning through need analysis, research inputs and consultations with the stakeholders**

The management ensures proper support from stakeholders. It receives feedback and modifies, if necessary, valuable inputs from stakeholders about academics, administration, examinations and co-curricular activities. The institution has the student council. At the periodical meetings the need and demands of the student are taken into consideration and efforts are made to fulfill the proper demands according to budgetary provision.

In consolation with the stakeholders need based programmes like personality development, cultural activities, and sport activities are organized by the college.

- **Reinforcing the culture of excellence**

Excellence cannot be achieved within limited time span. It requires the continuous efforts on the part of the teachers and stakeholders.

The IQAC/Standing Committee ensures the accomplishment of benchmarks set for each committee and works for consistency in the culture of excellence. It collects the feedback from students and stakeholders about various functioning of the college to monitor the quality in teaching learning process.

More than fifty percent permanent teachers are engaged in the research activities and four of them are awarded the Ph.D., five of them received the M.Phil. Degree and four faculty members are register for Ph.D., one member is recognized Guide of physics as well as electronics.

Two of our faculty members are organization member of “International convention for comparative and multi disciplinary sports science” on 17-18 Jan 2015 and our principal is a resource person for the same.

Most of the faculty members were organization member of Asmitadarsh Sahitya Sammelan organized by Madhu-Sneh Parivar.

- **Champion organizational change**

The college with its clear vision, mission, goals and objectives monitors every critical parameter that affects the quality of the product. It is also sensitive to global changes in the field of academics and acts accordingly.

6.1.4 What are the procedures adopted by the institution to monitor and evaluate policies and plans of the institution for effective implementation and improvement from time to time?

The institution arranges periodical meetings of the management members/staff member to monitor its policies and plans.

The principal holds occasional meetings with the chairman of each committee to take review of the activities. They monitor the progress of the developmental activities.

The committee's present a brief report to the principal in the staff meeting. In the last meeting of the academic year, the committee wise reports are collected. Interaction with the teachers, non-teaching staff and students for improvement are organized.

Evaluation

The institution collects feedback to evaluate its overall performance. It is in the form of a questionnaire on the available facilities, learning resources and library services. Besides this, the suggestion box is installed in the library. Suggestions received from the students are discussed in the meetings and tried to implement the suitable of them.

The institution adopts various processes and procedures to monitor and evaluate its Policies and plans for effective implementation and improvement from time to time. The most effective ones are the periodic evaluations and reviews conducted at various levels and by different bodies:

- Management Committee meeting
- College Local Management Council meeting
- Periodic IQAC meeting
- Committee meetings (Research, Library, Exam etc.)
- Annual and semester-wise planning and review meetings
(Periodic Student Council meeting)
- Regular interaction with the stakeholders and Feedback from them
(Students, Alumni, Parents, Neighborhood etc.)

6.1.5 Give details of the academic leadership provided to the faculty by the top management?

The President of the institution, Mr. Shirish Madhukarrao Chaudhari is one of the most experienced, skilled, education Experts. The President of the society is the supreme and ultimate authority providing guidance and leadership for the institution.

The President assumes full and overall authority of the institution, as far as the academic and administrative planning is concerned. His involvement is in policy making, staffing, budgeting, finance management, infrastructural and campus development and the day-to-day administration

Apart from this, the management maintains an open door policy for constant interaction with the faculty and the students.

The policy allows study leave for Orientation and Refresher courses. It also conducts periodic staff development programs. Giving moral support for research participation and encourages publishing of their research works.

The management offers partial financial assistance to the staff for attending training programs, seminars and conferences.

6.1.6 How does the college groom leadership at various levels?

The College grooms leadership at all the three levels:

- **Management**

The college takes steps to develop leadership quality at various levels. The Principal gives responsibility to the Heads and the staff. He gives directions and allows them to act autonomously. The management empowers the Head of the Institution to ensure effective functioning. He enjoys autonomy for implementation of goals. He is accountable for the output of activities and results. He has an authority to identify suitable staff members and to entrust them with supervision and execution of routine tasks.

- **Teaching and Non Teaching Staff**

The college has promising resource for leadership because its faculty is competent and committed. The Perspective Plan of the institution provides for succession planning and so, the change of leadership is Smooth. The coordinators are appointed by seniority and so they get ready for this role by taking up administrative responsibilities in committees and in conducting different programs. All the teachers take various curricular, extracurricular and administrative responsibilities in rotation. Periodic staff development programs also help them to sharpen their managerial skills.

The college sends the administrative staff for relevant training to meet the day-to-day challenges of administration. The constant backing of the management has often been acknowledged by the faculty.

- **Student Leadership**

All the activities in the institution (such as seminars, workshops, other research activity, celebrations etc.) are planned and executed by various Student Committees, with certain functional and financial autonomy.

Though there are faculty members in each of the functional committees, students are given complete freedom to chart / Chock / execute out and conduct programs that are later reviewed objectively.

Student representatives are also incorporated into various statutory and non-statutory bodies such as Grievance and Redressal Committee, Campus Discipline Committee, student welfare committee, cultural Committee etc. to help them develop leadership qualities. Students have participated in Chhatra-Sansad at M I T, Pune, which is leadership development program.

6.1.7 How does the college delegate authority and provide operational autonomy to the departments / units of the institution and work towards decentralized governance system?

The college follows a complete decentralization. Tasks are assigned by the Principal. Necessary autonomy and empowerment is provided. The staff is made accountable for the complete execution of the tasks assigned and to ensure effective implementation of the same. No intervention on the part of Institute. The members can consult the authorities for doubts and seek clarification for execution of the assigned tasks. Adequate time frame is given for completion of tasks.

The President of the college gives full freedom to the Secretary in matters related to administration and the Secretary with regard to matters related to academics. The Principal delegates his power to the Head of various committees, staff and directors of various committees.

The Heads of the department decentralize their power by delegating their authority to the staff of the department like preparation of time table, preparing the list of books, chemicals and equipment to be purchased, planning and arranging for the association meetings and seminars.

The Principal appoints coordinators to various committees giving them full freedom to act. The conveners empower the students' representatives of the committees to act and plan in consultation with the staff. The Examination Committee of the college is given full autonomy in conducting the internal and model examination.

The staff is given full freedom to adopt their teaching methodology. The secretary delegates his power to other staff members.

The staff members can arrange seminars and other functions in consultation with the Principal. Then the Principal forwards the proposal by the staff to the Secretary who sanctions it at the end. Office staffs are given charge of specific section. Their work is supervised both by the Principal and the Secretary.

Head clerk of college office ensures that the duties allotted to office staff of different sections in the college office are carried out promptly and informed principal. The Principal informed about the progress of the work.

6.1.8 Does the college promote a culture of participative management? If 'yes', indicate the levels of participative management.

Yes, The College is committed to a culture of participative management. The Board of management meets regularly and discusses on the succession of policies to be implemented and checks the improvement of quality education of the institution. Plans to be implemented in the future are also discussed.

The four-tier system comprising the Management Council, Local Management Committee, Staff member and Student Council ensure that the students and the faculty are constantly involved and participate in the everyday functioning of the institution.

The Local Management Committee meets twice in a year and whenever required. LMC is the top management body for overall development of college which plays major role in the same. In LMC four (including Principal) seats for teaching staff and one for representation of Non-teaching staff along with them three external members also participated. This expands into the IQAC/Standing Committee, which does the planning, and evaluation for the college and meets periodically throughout the year. The IQAC constituted with external members along with teaching and non teaching staff. The institution has a staff committees represented by the Principal and senior

faculties and head clerk. The Council gathers and discusses issues with the principal pertaining to the management periodically. Further, all matters related to academic activities and policy changes are discussed in detail in the Faculty Meeting regularly and discuss on the implementation of the activities of their committee. The faculties can freely approach the Principal to share their suggestion and views. The Principal also holds meeting whenever required. The decisions are implemented by various committees that comprise the faculty and the students as well. Co-curricular and extracurricular activities are coordinated autonomously by the faculty member's with the assistance of the student representatives, in consultation with the Principal.

The Principal meets the class representatives forming the discipline committee, thus both the students and the faculty participate actively in the execution and management of various activities on the campus.

The Principal also conducts meeting with the administrative staff whenever required. Yes, College has recently stated quality policy which has been formulated based on the vision and mission of the college and is the guiding force that helps departments to plan their activities.

Quality Policy Statement

“We at D.N.C.V.P.s Shirish Madhukarrao Chaudhari College, Jalgaon, try to develop the students in such way that they should face the challenges of life in a dignified manner. In order to build a healthy and self-reliant society, we try to develop various abilities in our students; the ability to think rationally, acquire the knowledge of past and present, innovative technologies and the spirit of service. To develop effective models of innovative teaching –learning process to include academic excellence and instill in the young mind a sense

of social justice, responsibility, scientific temperament, sensitivity and concern toward everyone in the society. DNCVP's Shirish Madhukarrao Chaudhari College Jalgaon has a mantra of Qualitative pursuance in higher education with innovative curricular and Co-curricular activities.”

The Principal ensures that this policy embodied in quality objectives is communicated to all the staff and the students. The IQAC prepares perspective plans and policies based on the quality policy and activities proposed by various departments for the calendar year. This action plan is submitted to the Management through LMC for approval and implementation. The Management monitors and reviews the plans/projects implemented by holding formal and informal dialogues with the staff, from time to time. To achieve the desired results in the academics, teachers are encouraged to participate in seminar, conferences, workshops and refresher and orientation courses and update their knowledge and skill base. The faculty has been provided with adequate facilities to materialize these quality statements. The students are encouraged to develop the research aptitude. The students are sent to villages by N.S.S. to develop social responsibility. Awareness rallies are conducted to develop concern towards everyone. Various seminars are arranged by the college for the students and staff to inculcate academic excellence in the students and the staff.

Best Practice 2

- 1. Title of Practice: “Green Club”**
- 2. Goal**

- To create the environmental awareness among the students and society.
- To aware students as well as people to keep pollution free environment.

3. The Context

The college has decided to create awareness on the pros of environmental safe keeping. Since 2010-2011 every year college celebrate Ozone day on 16th September to increase awareness in the society about the importance of Ozone layer. The college has organizes different seminars and conferences, poster and paper presentation. Every year college carry out the tree plantation activity to fulfill the above goal.

4. The Practice

- **Ozone Day:** Since 2010-2011 every year college celebrate ozone day by arranging Ozone rally and poster presentation event on 16th September to increase awareness among the people about the importance of Ozone layer. Felicitation of chief guest with little medicinal plant “Tulas”. In rally students gave slogans about importance of plants and ozone layer. They hold posters about environment awareness in their hands. Students also present street play during rally. The selected route of this rally is convenient for passing the message of environmental awareness to maximum people.

- Power Point Presentations
- Computer Based Tutor (CBT)

34. Participation in Institutional Social Responsibility (ISR) and Extension activities

1. “Internet Fundamentals and Web Page Design” is jointly organized by the Department of Computer Science and daily news paper “Lokmat” for members of Yuva Manch.
2. “Basics of Computer & Internet Course” is jointly organized by the department of Computer Science and daily news paper “Lokmat” for members of Lokmat Sakhimanch.
3. “Computer Training Camp” is conducted for standard 5th to 7th boys and girls school at NSS adapted village Avhane in the year 2013-2014 during NSS special winter camp.
4. Computer Literacy Training conducted through the Computer Forum for Backward Class students of the college.
5. Basic Computer Training for Teaching and Nonteaching staff.
6. Students are actively participated in all the programs conducted by NSS and co-curricular activities by the college.

35. SWOC analysis of the department and Future plans

Strengths of Departments

- Department has established Computer Forum for extra co – curricular activities.

- Easy to involve students in projects via independent study.
- Adequate laboratory facilities.
- Centralized Wi-Fi facility within campus
- Promote students for the PG, research activities.
- Faculties have attended Seminars, Workshops and Conferences.
- Personal attention is given on students by faculty.
- Spacious well ventilated class rooms.
- Bridge course is conducted to bridge the gap between students and basics of computer.
- Remedial course on specific subject are conducted for students.

Weaknesses of the Department

- Full time and qualified faculties are not in the department.
- Students belonging from the rural area.
- Department does not have its own library.
- International conference is not yet conducted.
- Placement cell of the department is not strong.

Opportunities

- The students are benefited by getting jobs in various Industrial, Government Sectors, Civil Services, Defense Services and Self-Employment etc.
- The students are benefited by developing their overall personality through computer forum.

Challenges

- To percolate the advance knowledge to the students.
- To improve the interest about the subject among the student.
- Students come from rural and tribal background so lack in communication skill.

Future plan

- Conduct short term ADD ON courses and strengthening laboratories.
- To start the departmental library for the students.
- To start major / minor research project by the teachers after 12-B recognition .

३) मा. विद्या परिषदेचा ठराव क्रमांक वि.प.ग-६६/२०१६ दिनांक ३०.०६.२०१६

महोदय /महोदया,

शैक्षणिक वर्ष २०१६-१७ पासून संलग्नीकरणाच्या तुतनीकरणास/नैसर्गिक विस्तारास मान्यता मिळणेकरिता आपण विद्यापीठामें संदर्भिय पत्र क्रमांक ०१ नुसार मादर केलेल्या प्रस्तावाच्या अनुषंगाने, आपल्या महाविद्यालयसंदर्भात तपामणी करून अहवाल मादर करणासाठी विद्यापीठाद्वारे संदर्भिय पत्र क्रमांक ०२ अन्वये स्थानिक चौकशी समिती नियुक्त करण्यांत आली होती.

मादर स्थानिक चौकशी समितीने आपल्या महाविद्यालयास/मान्यताप्राप्त परिसंस्थेस प्रत्यक्ष भेट देवून विद्यापीठामें मादर केलेल्या अहवालाची, प्राप्त आदेशान्वये, विशेष समितीमार्फत छाननी करण्यांत येऊन मादर समितीचा अहवाल आणि मादर केलेल्या शिफारशी दिनांक ३०.०६.२०१६ रोजी संपन्न झालेल्या मा.विद्या परिषदेच्या सभेत विचारार्थ ठेवण्यांत आल्या असता, मा.विद्या परिषदेने ठराव क्र. वि.प.ग-६६/२०१६, दिनांक ३०.०६.२०१६ अन्वये घेतलेल्या निर्णयाच्या अनुषंगाने, मादरच्या तक्र्यात नमूद केलेल्या विषय/अभ्यासक्रमाच्या संलग्नीकरणाच्या तुतनीकरणस [Continuation of Affiliation] व नैसर्गिक विस्तारास [Natural Growth] व्यासमोदर दर्शविलेल्या कालावधीकरिता, महाराष्ट्र विद्यापीठ अधिनियम, १९९४ चे कलम ८३(६) नुसार मान्यता देण्यांत येत आहे.

आपल्या महाविद्यालयास / मान्यताप्राप्त परिसंस्थेस देण्यात येत असलेली मान्यता ही फक्त एका शैक्षणिक वर्षाकरिता म्हणजेच, शैक्षणिक वर्ष २०१६-१७ करिता देण्यांत येत असून, मादर मान्यतेचे वेळोवेळी तुतनीकरण करणे आपणांस बंधनकारक राहिल. आपल्या महाविद्यालयास / मान्यताप्राप्त परिसंस्थेस नैसर्गिक विस्ताराकरिता देण्यात येत असलेली मान्यता हि मा. सहसंचालक, उ.शि. जळगांव विभाग, जळगांव यांचे पत्र क्रमांक सस/उशि/उमवि/विषय/नैसर्गिक विस्तार/२०१६-१७/१७३८ दिनांक १०/११-०५-२०१६ रोजीच्या मान्यता पत्राच्या अधिन राहून देण्यात येत आहे.

आपणांस असेही विदीत करण्यांत येते की, आपल्या महाविद्यालय/मान्यताप्राप्त परिसंस्थेच्या शैक्षणिक वर्ष २०१६-१७ करिता संलग्नीकरणाच्या तुतनीकरणासंदर्भात/नैसर्गिक विस्तारासंदर्भात नियुक्त करण्यांत आलेल्या स्थानिक चौकशी समितीने न्यांचे अहवालात अटी/शर्ती नमूद केलेल्या असून, मादरच्या अटी/शर्ती मोवतच्या तक्र्यात नमूद करण्यांत आलेल्या आहेत. महाराष्ट्र विद्यापीठ अधिनियम, १९९४ चे कलम ८१ नुसार संलग्नीकरणासाठी विद्यापीठाने सूचित केलेल्या अटी/शर्तीची पूर्तता करणे आपणांस बंधनकारक असून, त्या अनुषंगाने आपणांस विनंती करण्यांत येते की, आपल्या महाविद्यालयासंदर्भात/मान्यताप्राप्त परिसंस्थेसंदर्भात नमूद केलेल्या अटी/शर्तीचे अवलोकन करून मादरच्या अटी/शर्तीची परिपूर्ण स्वरूपात पूर्तता करावी व आवश्यक त्या कागदपत्रांसह अटी पूर्तता अहवाल ०३ महिन्यात, तथापि, शैक्षणिक वर्ष २०१७-१८ करिता संलग्नीकरणाच्या तुतनीकरणाचे प्रस्ताव मादर करणेपूर्वी विद्यापीठाच्या संलग्नता विभागामें मादर होईल अशा वेताने पाठवावा. आपण मादर मुदतीत अटी-पूर्तता अहवाल मादर न केल्यास, आपल्या महाविद्यालयाचे/मान्यताप्राप्त परिसंस्थेचे शैक्षणिक वर्ष २०१७-१८ करिताचे कोणतेही प्रस्ताव स्विकारण्यांत येणार नाहीत व त्यास आपण सर्वेस्वी जबाबदार राहून, याची कृपया नोंद घ्यावी ही विनंती.

आपणांस असेही विदीत करण्यांत येते की, ज्या महाविद्यालयात शैक्षणिक अर्हता प्राध्यापकांची संख्या कमी आहे, अशा महाविद्यालयांनी आवश्यक त्या शैक्षणिक अर्हता धारण करणाऱ्या प्राध्यापकांची ०३ महिन्यांच्या आंत नियुक्ती करण्यांत येईल आणि स्थानिक चौकशी समितीने अहवालात नमूद केलेल्या व यापत्रासोबत देण्यांत आलेल्या अटी/शर्तीची पूर्तता ०३ महिन्यांच्या आंत करण्यांत येईल, अशा आशयाचे रूपये १००/- (अक्षरी रूपये शंभर मात्र) च्या नॉन ज्युटिशियल स्टॅम्प पेपरवर हमीपत्र विद्यापीठाच्या संलग्नता विभागामें मादर करावे.

तरी उपरोक्तबाबत योग्य ती कार्यवाही करण्यांत यावी, ही विनंती.

सुरु करायलास परवानगी देणेबाबत.....**

संदर्भ : उप कुलसचिव (संलग्नता), उत्तर महाराष्ट्र विद्यापीठ, जळगांव यांचे पत्र क्र.
उमवि/५/शै-२३/४७८७/९९, दिनांक २९.११.१९९९

महोदय,

सन २०००-२००१ या शैक्षणिक वर्षापासून नवीन महाविद्यालये सुरु करण्यासंदर्भात आपल्या विद्यापीठाकडून शासनास प्राप्त झालेल्या शिफारशीच्या अनुषंगाने स्थानिक तथा आसपासच्या परिसरातील उच्च शिक्षणाची वाढती मागणी विचारात घेऊन महाराष्ट्र विद्यापीठ अधिनियम, १९९४ च्या कलम ८२ (५)च्या परंतुकानुसार खाली नमूद केलेल्या संस्थेला त्या समोर दर्शविलेल्या ठिकाणी व दर्शविलेल्या विद्याशाखेचे नवीन महाविद्यालय सुरु करण्यास सन २०००-२००१ या शैक्षणिक वर्षापासून पुढील अटीच्या अधिन राहून शासनाची परवानगी देण्यात येत आहे.

संस्थेचे नाव	ठिकाण	विद्याशाखा
धनाजी नाना चौधरी विद्या प्रबोधिनी, जळगांव	जळगांव	विज्ञान

• सदर महाविद्यालयास देण्यात आलेली परवानगी सध्या दिना अनुदान तत्वावर असून वेळोवेळी निर्गमित करण्यात येणा-या अनुदान संदर्भातील शासन निर्णयाच्या अटीच्या अधिन राहून या महाविद्यालयास अनुदान तत्वावर आणण्याचा यथावकाश विचार करण्यात येईल.
(कृपया मागे पहा.)

• महाविद्यालयास जी विद्याशाखा सुरु करण्यास परवानगी देण्यात आलेली आहे, त्या विद्याशाखेच्या त्रिवर्षीय पदवी परीक्षेच्या पहिल्या वर्षाच्या वर्गात खाली दर्शविल्याप्रमाणे विद्यार्थ्यांनी प्रवेश घेतला तरच वर्ग सन २०००-२००१ पासून सुरु करावा.

ब) आदिवासी विभाग	४०
क) ग्रामीण विभाग	५०
ड) महिला महाविद्यालय	५०

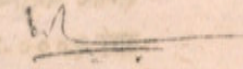

• तसेच, सन २०००-२००१ या शैक्षणिक वर्षाच्या शेवटी होणा-या प्रथम वर्षाच्या विद्यापीठ परीक्षेत कमीत कमी खालीलप्रमाणे विद्यार्थी बसणे आवश्यक आहे. :-

अ) शहरी विभाग	५०
ब) आदिवासी विभाग	३०
क) ग्रामीण विभाग	४०
ड) महिला महाविद्यालय	४०

२. महाराष्ट्र विद्यापीठ अधिनियम, १९९४ च्या कलम ८३ मधील तरतुदीनुसार संलग्नीकरण करण्याबाबत योग्य ती कार्यवाही विद्यापीठाने तात्काळ करावी व पूर्तता अहवाल संचालक (उच्च शिक्षण) महाराष्ट्र राज्य, पुणे यांना अग्रेषित करावा.

३. तसेच वरील संस्थेस ज्या ठिकाणी नवीन महाविद्यालय सुरु करण्यास परवानगी देण्यात आलेली आहे, त्या ठिकाणी अन्य संस्थांचे प्रस्ताव असल्यास ते अमान्य करण्यात आले असल्याचे विद्यापीठ स्तरावरून संबंधित संस्थांना कळविण्यात यावे.

आपला विश्वासू,

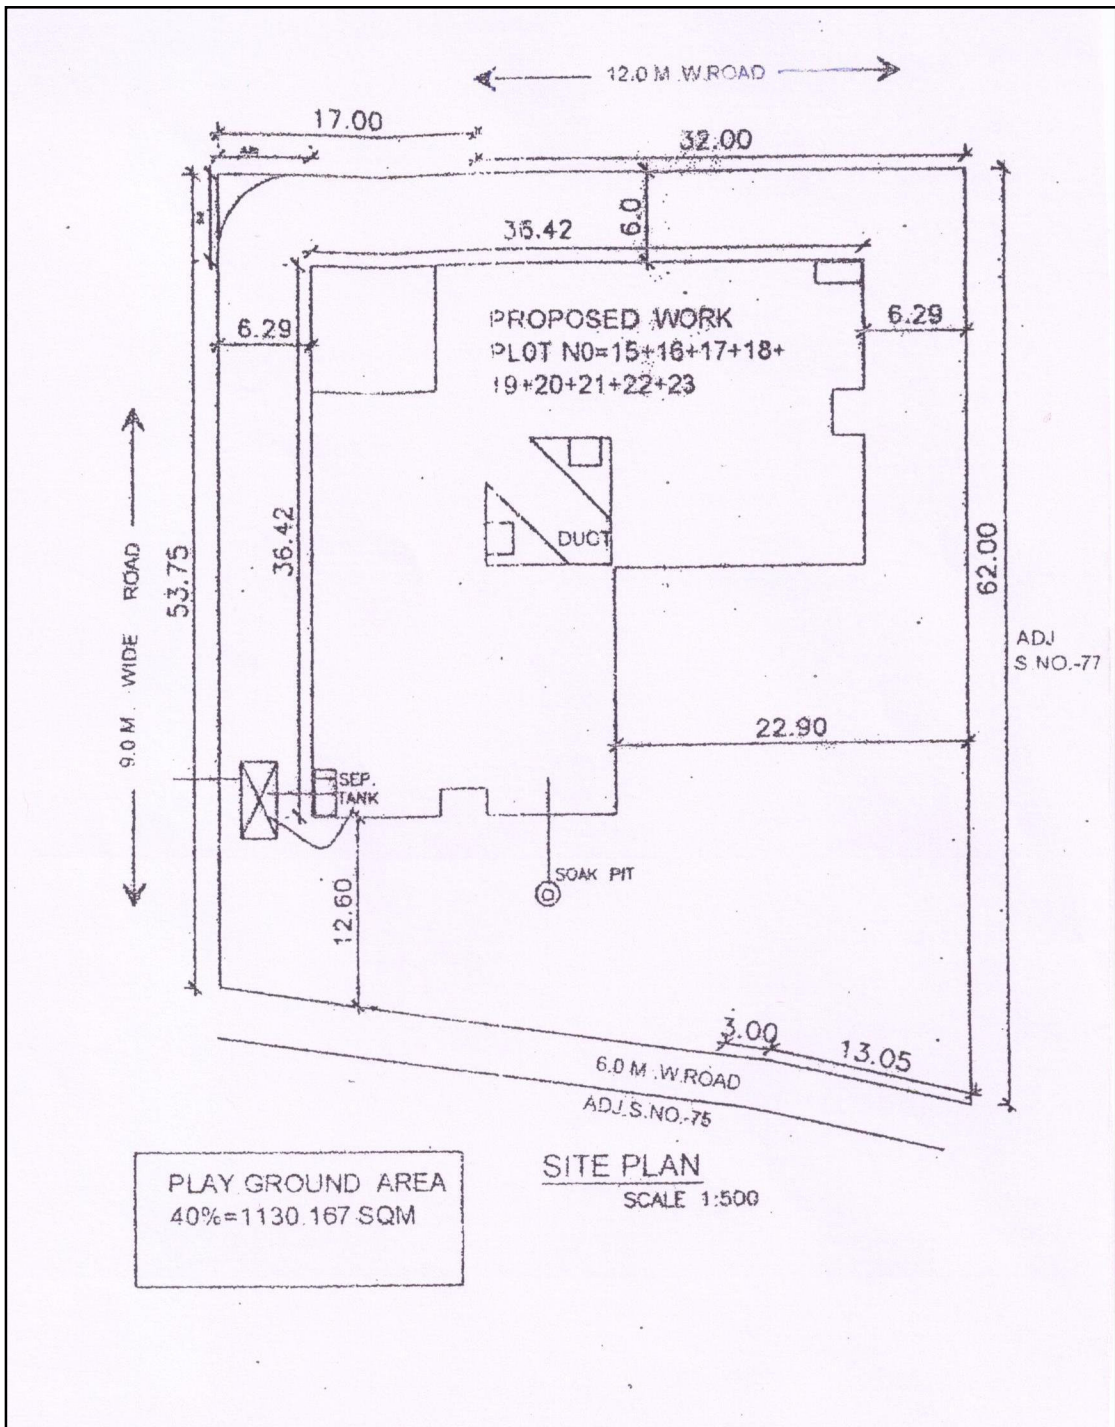

(म. अ. सरपोतदार)
